Division of Adolescent & Young Adult Medicine Retreat- 2018

Lessons from EPAC

Sara M Buckelew, MD, MPH

Director, Clinical Medical Student Education
Department of Pediatrics
Expected level

Student A

Student B
PERFORMANCE

Student A

Student B

Expected level
How do we assess these two students?
How do we assess these two students?
LESSONS FROM EPAC

Performance VS Growth

What is EPAC?

Key Themes Emerged:
• The ability to focus on student driven, mastery learning
• Multiple low stakes assessments focused on entrustment
• Longitudinal relationship with faculty

How do we translate for all students?
LESSONS FROM EPAC

Performance VS Growth

What is EPAC?

How do we translate for our residents?
EPA 1: Provide consultation to other health care providers caring for children
EPA 2: Provide recommended pediatric health screening
EPA 4: Manage patients with acute, common diagnoses in an ambulatory, emergency, or inpatient setting

EPA 8: Facilitate the transition from pediatric to adult health care
**EPA 9:** Assess and manage patients with common behavior/mental health problems
